Review on the progress made in the destruction of stray dogs in the several municipalities of Hassan District during the quarter ending 31st December 1941.

The statements from all the Municipal Presidents were received in time, except in the case of Arsikere, Chennarayapatna and Konanur. The Presidents should see that no room is given for any delay

It is seen from the enclosed statement that 401 dogs were destroyed in all, during the quarter under review, the maximum being 70 in Holenarsipur. It is unsatisfactory to note that there was absolutely no progress in Alur, Chennarayapatna and Konanur Municipalities. All the Presidents are requested to see that adequate progress is shown in this direction during the current quarter
